Support Enrichment Programs at Your School!

Project DREAM (Developing Resiliency through Education, the Arts and Mentoring) is a private non-profit 501(c)3 dedicated to helping fund field trips and programs in outdoor education, athletics, career building and the arts for students within the Twin Rivers Unified School District.

Project DREAM is operated by a volunteer board of TRUSD staff, business partners and community members. Aside from insurance and tax & audit services, 95% of all funds raised go directly back to our schools to fund projects requested by site staff, and none of the money is used to pay for programs funded through state or federal dollars.

At the end of 2018, we have given over $755,000 to Twin Rivers schools to help support enrichment programs for over 42,000 students. Shopping scholarships are given each year to deserving college students.

Could you give up a Starbucks coffee once a month to help a child? Even a small contribution of $5 a month can enhance the life of a child. If you’re willing to give a little to make a big difference for our students, please complete the form below and return it to your principal or to Project DREAM’s mailbox at the District Office. The form will then be forwarded to the Payroll Department.

DREAM Payroll Deduction Contest for the highest percentage of participating donors! Forms must be received by Dec. 15. (Note: Forms sent directly to the Payroll Department will miss the deadline to be included in the contest.) A trophy to the winning school will be presented in January!

All donations are tax deductible. You’ll receive documentation annually for your total donation.

Project DREAM Payroll Deduction Authorization

I would like to support enrichment programs for our students through Project DREAM by setting up a monthly payroll deduction.
